

JustMap, an ongoing collaborative project for a fairer London.

**Agenda for the first collective working session  
Friday 28<sup>th</sup> of October, 2pm-4pm**

**Agenda draft :**

**0-** brief presentation of Reclaim Our Spaces

**1-** brief presentation of JustMap and introduction of the 6 working topics

1. platform technology
2. data classifications, visualisations, extra data
3. governance, mappers community, partnerships and fundings
4. public workshops and participatory processes
5. graphic design, website and interaction with social media
6. new data input, old data updating and maintenance

**2-** Self presentation of each participants + first indications of the topics on which each one would like to work.

**3-** presentation in more details of the 6 working topics : challenges and avenues

**4-** general questions and free presentations from anyone of us who would like to share an ongoing work (Muki Haklay might like to present Mapping for Change for example, <http://mappingforchange.org.uk/> and <https://communitymaps.org.uk/> or Toby LB the application online he is working on)  
Please tell me if some of you would like to present some specific work or experience.

**5-** option to divide in smaller groups (2 or 3?) to address specific topics.

**6-** collective re-evaluation of each one of the 6 working topics and their challenges and avenues

**7-** propositions and discussion on the collaborative work modes (Collective blog ? Trello ? Google.doc ? email list ? Dropbox ? Other ?) + date for a next meeting

**PLACE FOR THE MEETING :**

The Granville Plus Centre, 80 Granville Road, NW6 5RA BUT Entrance on Carlton Vale ONLY kindly invited by Leslie Barson, <https://granvillecommunitykitchen.wordpress.com/>

**PLEASE SEND AN EMAIL TO REGISTER TO [fonty.nicolas@gmail.com](mailto:fonty.nicolas@gmail.com)  
TO BE SURE THAT THERE WILL BE ENOUGH SEATS.**

**Reclaim Our Spaces** is a large coalition of London community organisations and activists gathered to try and build a path towards a collective effort for a fairer London.

**JustMap** is an ongoing collaborative map that we are developing to highlight communities assets and projects, while connecting actors campaigning for a fairer London.

**A large range of skills is necessary** for this collective project : community engagement, planning, mapping, programming, web design, social networks, graphic design, playful engagement ... and much more !
