

Community assets for a fairer London

Physical assets community centres, public facilities, markets, local pubs, spaces for venue or exhibitions, parks, playgrounds, local media, genuine affordable housing ...

Human assets organisations with positive impacts, community groups, charity groups, specific professional or individual ...

Activities assets formal and informal : festival, sport meetings, barbecues parties, skateboarding, community gardening, street musicians, flea market ...

Time dimensions

Future : Campaigns for a better future. Planning proposals. How to maintain and improve communities assets ? Where to create new ones ?

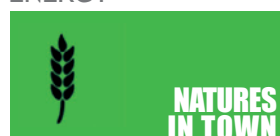

Past : What has changed or disappeared ? Which past events or historic facts are meaningful for the community ?
